

FINANCIAL AID APPLICATION

As part of our ongoing mission to make the Seattle Starz experience financially accessible to all families, we offer a limited amount of financial aid based on family need and available funding. Financial aid is granted at the discretion of the Club's Board of Directors at the beginning of each season. Applications must be submitted prior to tryouts or at the time of receiving an invitation to join a team.

To apply for financial aid, complete this application and submit confidentially to Cathy Eitzen (kteitzen@gmail.com). Each application will be reviewed and applicants will be notified if financial aid is granted. **Please do not register for the team until you receive an email informing you of the outcome of your application.**
